**FARMINGTON AREA CHAMBER OF COMMERCE HOSTS RIBBON CUTTING FOR NEW  
DENTAL PRACTICE AT BEAUMONT MEDICAL CENTER; CITY LEADERS TO ATTEND**

**FOR IMMEDIATE RELEASE (West Bloomfield, MI) – November 29, 2016** — A few months ago, Caring Smiles Family Dentistry quietly opened its doors to Metro Detroit residents. On Friday, December 9th, it will be official. Oakland County dignitaries and city leaders from Farmington Hills, West Bloomfield and beyond will join Drs. Warren and Amira Woodruff to cut the ribbon signifying their commitment to the community.

“We are thrilled to partner with the Greater Farmington Area Chamber of Commerce on this and look forward to meeting new neighbors and patients. We’re eager to share our knowledge of dentistry, preventative care and its significant impact overall health. We invite families to join us on Friday, December 9th. Everyone is welcome,” said Dr. Warren Woodruff, (known by patients as “Dr. Warren”), co-owner and general dentist.

Both graduates of the University of Michigan’s undergraduate and professional dental programs, Dr. Warren and Dr. Amira May Woodruff (known by patients as “Dr. May”), first met during their teenage years. Reconnecting in college and dental school, the pair always dreamt about opening a practice of their own. After working in the field for more than five years, they decided to pursue their destiny.

“We were blessed to be able to design an office inside the beautiful Beaumont Medical Center, a staple in our community for the best medical care. It’s amazing to be here now and see how everything has come together,” said Dr. May.

Visitors can anticipate a drawing for a free electric toothbrush, a meet and greet with the staff and doctors and a tour of the 2,700 square-foot practice featuring seven spacious treatment rooms. A light lunch will be provided for attendees and the ribbon cutting will take place promptly at noon.
